

Workplace Performance Inc. (WPI)

Statement Regarding Privacy and Confidentiality

Due to proprietary nature of our material, it is the practice of Workplace Performance Inc. not to release information regarding available services beyond those services advertised on our website - www.wpleadership.com - to anyone, but our confirmed clients.

Client Confidentiality

WPI is a company that respects the privacy and confidentiality of the conversations we have with our clients. We will never disclose specific information regarding clients, services delivered to clients, or any other information that belongs to a client without prior client consent or at the request of the client.
